

MONITOR

It reads your industry

- Industry news 14 new
 - Trending conversations 31 new
 - Predictive insights 4 new

IMAGERY

Never AI-generated

Rendered from a coded template built to your brand. Image models cannot spell, and will invent a number that was never in the post.

GUARDRAIL

Every figure is checked

No number reaches a post or an image unless your evidence vault clears it.

- | | | |
|---|--------|--------------------|
| ✓ | 29,918 | sourced, cleared |
| ✓ | 4% | sourced, cleared |
| ✓ | 2026 | sourced, cleared |
| ✗ | 62% | uncleared, refused |

EVERY WEEK

Seven posts, already written

VOICE

Built from your own words

PREDICT

What could trend this week

- | | |
|-------------------|----------|
| Link down-ranking | likely |
| Posting cadence | unlikely |
| Benchmark reports | unlikely |
| Founder-led video | unlikely |

LEARNS

Tell it once. It remembers.

"Opening is too corporate. Lead with the number."

Rewritten, and saved to your preferences.

- ✓ Applied to 4 upcoming posts

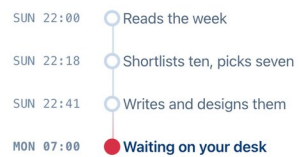

LEARNED SO FAR

- | | |
|-------------------------------------|-----|
| Open on the number, not the context | x4 |
| Shorter first line | x7 |
| No hashtags | x11 |
| One idea per post | x3 |

NEVER MISS

Every Sunday night, without you

Collected, chosen and written before Monday.

YOURS

You own all of it

During, and after. If you leave, you take all of it with you.

- ✓ Every post written
- ✓ Every image rendered
- ✓ The voice document itself
- ✓ Your brand book
